**2018 Make Music Day Description**

Make Music Day is a free celebration of music around the world on June 21<sup>st</sup>. It began in 1982 in France. It is now held on the same day in more than 750 cities in 120 countries. Make Music Day is open to anyone who wants to take part.

The Make Music Day Celebration in Hastings will be coordinated by the Hastings Parks and Recreation Department and volunteers. We will plan an informal, yet structured event to encourage attendees to enjoy performances at various local parks in Hastings. All is free and open to the public.

Our hope is Make Music Day in Hastings will provide a sense of community pride and cohesiveness, to invite the community and visitors to utilize outdoor park space, and to create community connections. Make Music Day will consist of separate performances at different locations.

*In case of rain*, we will have an indoor location for all performances at the Hastings Arts Center, 216 4<sup>th</sup> Street East, Hastings, MN 55033. The decision will be made June 20, 2018 to move the performances indoors and all performers will be contacted.
