

Open to Business

In Partnership with Dakota County CDA

What is it?

The Open to Business program is a *free* program that provides advice, confidential counseling and technical assistance to businesses, at every stage of growth. Program advisors include experienced business professionals with a wide variety of business backgrounds and access to excellent resources.

Am I eligible?

This program is available to all residents, entrepreneurs and business professionals in the City of Hastings.

What can the program offer to me?

The Open to Business program can assist with:

- Accounting and record keeping
- Business acquisition and/or start-up
- Business plan development
- Cash flow, financial and business analysis
- Loan packaging and financial option review
- Networking
- Operations
- Strategic Planning
- Commercial Real Estate Analysis

Direct financing is also available through the program.

How do I apply?
