

2019 Mill & Overlay Program Update #1 – 6/14/19

What has happened this past week?

- Removal and pouring of concrete curb & gutter and sidewalk pedestrian ramps.

Above Left: Removing Existing Pedestrian Ramps....Above Left Center: Road Construction!...Above Right Center: Pouring Curb...Above Right: Finishing Poured Curb...

What is scheduled for next week?

- Finish pouring concrete curb & gutter and sidewalk pedestrian ramps.
- Add new rings and castings to selected catch basins and manholes
- Patch bituminous around pedestrian ramps
- Remove pavement and install median on General Sieben Dr at South Frontage Rd. Detour for northbound traffic on General Sieben Dr begins Wednesday, June 19th.

Note: Please expect hit or miss minor traffic delays during the construction project. Please be mindful to keep speeds down while driving through the project. If possible, please use alternate routes to minimize disruption to the work. The City understands this is an inconvenience and appreciates your cooperation and patience as we improve the quality of this road for you!

Who do I contact with questions or for assistance? Project management services are being provided by the City's Engineering Department. The department can be reached at **(651) 480-2334** with project questions and concerns.

Spread the Word & Encourage E-Updates! Please make sure to share this information with your neighbors and tenants, and encourage them to sign up for electronic updates if they have not yet done so!
