

2019 Mill & Overlay Program Update #2 – 6/21/19

What has happened this past week?

- Removal and pouring of concrete curb & gutter and sidewalk pedestrian ramps on Ramsey St, Tyler St, and General Sieben Dr.
- Installation of concrete median to improve pedestrian crosswalk safety at General Sieben Dr and South Frontage Rd.
- Added new rings and castings to selected catch basins and manholes.

Above Left: Removing Bituminous....

Above Center: Pouring Median...

Above Right: Detour Down!

What is scheduled for next week?

- Temporary right turn lane closure on southbound General Sieben Dr at Market Blvd. Turning movement can still be made but not from designated right turn lane. Traffic control necessary for replacement of pedestrian ramp.
- Finish pouring concrete curb & gutter and sidewalk pedestrian ramps.
- Patch bituminous around manholes, curb, and pedestrian ramps.
- Apply top soil and spray compost seed to damaged turf areas.

Note: Please expect hit or miss minor traffic delays during the construction project. Please be mindful to keep speeds down while driving through the project. If possible, please use alternate routes to minimize disruption to the work. The City understands this is an inconvenience and appreciates your cooperation and patience as we improve the quality of these roads and pedestrian ramp facilities for you! Milling and paving is tentatively scheduled for the week of July 8th, weather permitting. Re-striping of entire project area, including General Sieben Dr, is scheduled for the following week after paving.

Who do I contact with questions or for assistance? Project management services are being provided by the City's Engineering Department. The department can be reached at **(651) 480-2334** with project questions and concerns.
