

## 2019 Mill & Overlay Program Update #3 – 6/28/19

### What has happened this past week?

- Continued to pour concrete curb & gutter and sidewalk pedestrian ramps.
- Opened to pedestrian traffic the concrete median at General Sieben Dr and South Frontage Rd.
- Patched bituminous pavement around manholes, curb and pedestrian ramps that were replaced.

Above Left: Median open!

Above Center: Protecting fresh concrete pour from rain...

Above Right: Pouring concrete curb on Tyler St

### What is scheduled for next week?

- A lighter workload is scheduled for the July 4<sup>th</sup> work week. With exception to one last concrete pour, expect only minor clean-up work and preparation for milling and paving.

### What is scheduled for the week of July 8th?

- Tentatively scheduled to mill, weather permitting, on Monday, July 8<sup>th</sup>. Please watch for “no parking signs.”
- Tentatively scheduled to pave, weather permitting after the milling operation. Please watch for “no parking signs.”
- Apply top soil and spray compost seed to damaged turf areas.

Note: Please expect minor traffic delays during the milling and paving operations. Please be mindful to keep speeds down while driving through the project. If possible, please use alternate routes to minimize disruption to the work. The City understands this is an inconvenience and appreciates your cooperation and patience as we improve the quality of these roads and pedestrian ramp facilities for you!

**Who do I contact with questions or for assistance?** Project management services are being provided by the City’s Engineering Department. The department can be reached at **(651) 480-2334** with project questions and concerns.

**Spread the Word & Encourage E-Updates!** Please make sure to share this information with your neighbors and tenants, and encourage them to sign up for electronic updates if they have not yet done so!

- **E-Notifications** - Sign up for email updates on our website at [www.hastingsmn.gov](http://www.hastingsmn.gov). Click on the *E-notifications* button at the bottom of the page, and sign up for “2019 Mill and Overlay Program”.
