

# 2019 Neighborhood Infrastructure Improvements Construction Update #14 – 9/6/2019

## What has happened during the past week?

### Area 1:

- Excavation and placement of the gravel base on 19<sup>th</sup> St has been completed
- Topsoil grading behind the curb has begun in areas where curb is already installed
- Cleanup and grading of the drainage swale between Louis Ln and Ridge Ln has been completed with restoration work (seeding and erosion control blanket) to follow

### Area 2:

- Paving of the final layer of asphalt has been completed in all of Area 2
- Top soil and seeding has been completed in areas that were disturbed during spot curb replacement

## What is scheduled for the week of September 9th?

### Area 1:

- Weather permitting, installation of new concrete curb is scheduled for Manor Ln and Manor Ct north of 19<sup>th</sup> St as early as Tuesday, September 10<sup>th</sup>. Affected residents will receive additional information via door-to-door fliers
- Concrete aprons and driveways will begin to be replaced in areas where new curb is installed
- Spot curb and apron removal and replacement will begin on Louis Ln and 18<sup>th</sup> and 19<sup>th</sup> St between Manor Ln and Pine St
- Final grading on streets with curb and gutter completed will continue
- Restoration of topsoil in disturbed areas will continue and seeding may begin

### Area 2:

- All major construction activity in Area 2 is complete and general clean up of the construction area will begin

Installation of rip-rap rock around new drainage structures to reduce erosion is part of the grading and drainage improvements in the Louis- Ridge swale

Paving of the final layer of asphalt in progress on Bohlken Drive

## Who do I contact with questions or for assistance?

Project management services are being provided by the City's Engineering Department. The department can be reached at (651) 480-2334 with project questions and concerns.

## Spread the Word & Encourage E-Updates!

Please make sure to share this information with your neighbors and tenants, and encourage them to sign up for at least one of the two electronic updates options if they have not yet done so!

- **E-Notifications** - Sign up for email updates on our website at [www.hastingsmn.gov](http://www.hastingsmn.gov). Click on the *E-notifications* button at the bottom of the page, and sign up for "2019 Neighborhood Infrastructure Improvements".
- **Text Messages** – this is a great way to have the information in the palm of your hand! You'll receive a weekly text message from us with a direct web link to the current construction update. Text **2019STREETS** to **888777** to enroll. Reply STOP at any point to opt out.
