

2019 Neighborhood Infrastructure Improvements Construction Update #15 – 9/13/2019

What has happened during the past week?

Area 1:

- Seeding and installation of erosion control blanket has been completed in the Louis-Ridge swale area
- Grading of topsoil in boulevard areas has begun in areas where curb has already been installed
- Draining of standing water and general site cleanup after this week’s rainfall events

Area 2:

- General site cleanup

What is scheduled for the week of September 16th?

Area 1:

- Weather permitting, string lining and installation of new concrete curb is scheduled for Manor Ln and Manor Ct north of 19th St as early as Monday, September 16th. Affected residents will receive additional information via door-to-door fliers
- Concrete aprons and driveways will begin to be replaced in areas where new curb is installed
- Spot curb and apron replacement will begin on Louis Ln and 18th and 19th St between Manor Ln and Pine St
- Final grading on streets with curb and gutter completed will continue – **If the curb in front of your property is already installed the driveway is accessible, please park in the driveway to facilitate final grading on those areas**
- Restoration of topsoil in disturbed areas will continue

Area 2:

- All final boulevard grading along new sidewalk on 31st St will be completed

With the clearing and grading of the Louis-Ridge swale complete, crews seeded and installed biodegradable erosion control blanket

The erosion control blanket keeps the soil in place and stops erosion during rain until vegetation regrows. It performed well during this week’s rainfall.

Who do I contact with questions or for assistance?

Project management services are being provided by the City’s Engineering Department. The department can be reached at (651) 480-2334 with project questions and concerns.

Spread the Word & Encourage E-Updates!

Please make sure to share this information with your neighbors and tenants, and encourage them to sign up for at least one of the two electronic updates options if they have not yet done so!

- **E-Notifications** - Sign up for email updates on our website at www.hastingsmn.gov. Click on the *E-notifications* button at the bottom of the page, and sign up for “2019 Neighborhood Infrastructure Improvements”.
- **Text Messages** – this is a great way to have the information in the palm of your hand! You’ll receive a weekly text message from us with a direct web link to the current construction update. Text **2019STREETS** to **888777** to enroll. Reply STOP at any point to opt out.
