

2026 15th & Bailly Stormwater Basin Project Update #10 – 7/24/26

What has happened this past week?

- Seeded and installed wood fiber blanket to basin
- Paved damaged trail

Left Photo: Paved trail

Right Photo: Basin Restored

What is scheduled for next week?

- Complete restoration
- Plant trees.
- Open trail for public use.

What is scheduled for beyond next week?

- Repair damaged concrete pedestrian ramp and park bench pad.
- Install grate on manhole.

Note: Thank you for your patience while this project took longer than anticipated. The Contractor is responsible to establish all seed to fully restore this area.

Questions or Concerns?

- Project management services are being provided by the City's Engineering Department. Please call the Assistant City Engineer at (651) 480-2369 with project related questions and concerns.

Spread the Word & Encourage Updates!

- Please make sure to share this information with your neighbors and tenants. Feel free to encourage them to obtain a copy of the Construction Update if they have not already done so! Typically, new updates are posted on Friday.
