

Central Water Treatment Plant Raw Watermain Project Construction Update #12 - 04/10/2026

What has happened during the past week?

- Crews completed the drilling and pipe installation of the second section of watermain on the north side of North Frontage Road, stretching from Lions Park to State Street.
- Crews finished connecting the watermain across North Frontage Road, west of Westview Drive.

What is scheduled for the week of April 13th?

- North Frontage Road will be closed to thru traffic between Westview Drive and State Street. The closure will take place mid-block to allow for the installation of a new fire hydrant, which is expected to happen on Monday, April 13th. Access to businesses will remain available during the closure. This section of North Frontage Road is expected to reopen to thru traffic by the end of Monday, April 13th.

Important Notes

- Please refrain from parking on streets under construction from 7 AM to 7 PM.
- During construction hours (7 AM to 7 PM), access will be maintained but may be delayed.

Tips of the Week

- Please follow posted detour and warning signs.
- Reduce your speed and be cautious of uneven ground.
- Remain attentive—look out for signs, construction equipment, and workers.
- When near construction areas, establish eye contact with machine operators before moving forward.
- Remind children to avoid the construction site, machinery, and piles of materials.
- Access may vary throughout the day as work continues, so thank you for being patient.
