

## 2025 Mill & Overlay Program Update #1 – 5/9/25

### What has happened this past week?

- Removed spot concrete curb & gutter on 16<sup>th</sup> St through 23<sup>rd</sup> St area
- Adjusted select manholes on 16<sup>th</sup> St through 23<sup>rd</sup> St area
- Re-bolted select gate valve bolts on Northridge Ct and High Point Ct.

Above Left: Replacement of Gate Valve Bolts

Above Center: Curb Removed

Above Right: Pedestrian Ramp Marked for Removal

### What is scheduled for next week?

- Continue removing concrete curb & gutter and pedestrian ramps throughout the project.
- Begin pouring concrete curb & gutter and pedestrian ramps beginning with the 16<sup>th</sup> St through 23<sup>rd</sup> St area.
- Continue adjusting select manholes throughout the project.
- Re-bolt select gate valve bolts on Featherstone Rd and River Shore Ct

***Note: Expect hit or miss minor traffic delays during the construction project. Please be mindful to keep speeds down while driving through the project. If possible, use alternate routes to minimize disruption to the work. The tentative schedule for milling and paving is the last week in May through the second week in June (weather dependent; subject to change). The City understands this project is an inconvenience and appreciates your cooperation and patience as we improve the quality of these roads for you!***

### Questions or Concerns?

- Project management services are being provided by the City's Engineering Department. Please call the Assistant City Engineer at (651) 480-2369 with project related questions and concerns.

### Spread the Word & Encourage Updates!

- Please make sure to share this information with your neighbors and tenants. Feel free to encourage them to obtain a copy of the Construction Update if they have not already done so! Typically, new updates are posted on Friday.
