

## 2025 Neighborhood Infrastructure Improvements Construction Update #5 – 6/27/2025

### What has happened during the past week?

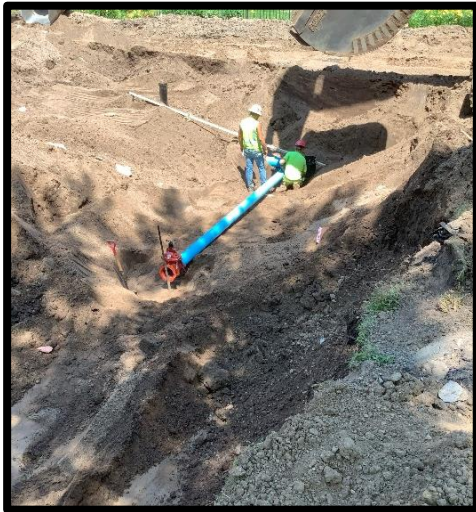

- Water main improvements were completed along 1<sup>st</sup> Street.
- Street removals were completed on Farm Street.
- Concrete curb and driveways were completed along Olive Street, Fraiser Street, 1<sup>st</sup> Place, and 1<sup>st</sup> Street West of Farm Street.
- Utility service replacements were completed on 1<sup>st</sup> Street.

### What is scheduled for the week of June 30<sup>th</sup>?

- Sanitary sewer improvements on Farm Street will begin.
- Storm sewer improvements on 1<sup>st</sup> Street will continue.
- Street removals will begin on State Street and Prairie Street.
- Final testing on the temporary water main will be completed on Farm Street. We will begin switching residents to this temporary system. Impacted residents have received additional info via door hanger.
- Final testing on new water main will be completed on 1<sup>st</sup> Street. We will begin switching residents back from the temporary water system to the newly installed water main. Impacted residents will receive additional info via door hanger.
- No work will take place on the 4<sup>th</sup> of July Holiday.

### Important Notes

- PLEASE DO NOT TOUCH the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM

*Water main improvements*

*Water Service Replacements*
