

2026 15th & Bailly Stormwater Basin Project

Update #9 – 7/17/26

What has happened this past week?

- Manhole structures installed.
- Retaining wall installed.
- Rip rap installed.
- Removed damaged trail pavement and prepped aggregate.

What is scheduled for next week?

- Pave trail.
- Plant trees.
- Restore basin with seed and blanket.

Note: The project is nearly complete. Thank you for your patience as we put the final touches on this project and get this trail back open to the public!

Questions or Concerns?

- Project management services are being provided by the City's Engineering Department. Please call the Assistant City Engineer at (651) 480-2369 with project related questions and concerns.

Spread the Word & Encourage Updates!

- Please make sure to share this information with your neighbors and tenants. Feel free to encourage them to obtain a copy of the Construction Update if they have not already done so! Typically, new updates are posted on Friday.
