## EASTERN WATER TREATMENT PLANT

### FOR THE CITY OF HASTINGS DAKOTA COUNTY, MINNESOTA

NOTICE IS HEREBY GIVEN that bids for the construction of Eastern Water Treatment Plant will be received on-line through QuestCDN vBid™ until **Thursday, July 23, 2026 at 2:00 p.m.** local time. Immediately following expiration of the time for receiving bids, representatives of the City of Hastings will publicly view bids at an online bid opening meeting. Those interested in viewing the online bid opening are welcome to join the meeting by logging on to <https://zoom.us/join> and enter:

Meeting ID: 985 7277 1818

Passcode: 725015

The as-read on-line bid results will be available at [www.questcdn.com](http://www.questcdn.com) following the bid opening.

The Project includes the furnishing of all labor and materials for the construction complete in-place of the Eastern Water Treatment Plant, a granular activated carbon (GAC) and ion exchange (IX) drinking water treatment plant for per- and polyfluoroalkyl substances (PFAS) and Nitrate removal.

The provisions of MINN. STAT. 16C.285 Responsible Contractor are imposed as a requirement of this contract. All bidders and persons or companies providing a response/submission to the Advertisement for Bids of the City of Hastings shall comply with the provisions of the statute.

Information and Bidding Documents for the Project can be found at [www.questcdn.com](http://www.questcdn.com). Bidding Documents may be downloaded from the website for a nonrefundable fee of \$45 by inputting Quest project number **10199588** on the website's Project Search page.

The website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the website [www.questcdn.com](http://www.questcdn.com). Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from other sources.

Bids will only be accepted via the electronic bidding service through QuestCDN.

The City Council reserves the right to reject any and all bids and to waive any bids received without explanation. No bid may be withdrawn for a period of 60 days.

The Bidder as a company shall have experience as a general contractor in the successful construction of at least three (3) municipal potable water treatment plants as described below with a minimum treatment capacity of three million gallons per day (3 MGD) within five (5) years prior to the bid opening date. This treatment plant construction experience must include furnishing and installing all of the following from the ground up: a new building, filtration, chemical feed systems, process piping and valves, pumps, and electrical instrumentation and controls. Wastewater treatment plant construction experience does not meet the minimum contractor qualifications specified herein. The designated process/mechanical and electrical subcontractors must also meet the above stated requirements for their portions of the work on this project.

The granular activated carbon (GAC) adsorption pressure filter vessel system manufacturer and ion exchange (IX) pressure filter vessel system manufacturer shall have experience in the successful fabrication of vessels for at least three (3) municipal potable water treatments plants with a minimum treatment capacity of one million gallons per day (1 MGD) within five (5) years prior to the bid opening date.
