

2026 Neighborhood Infrastructure Improvements Construction Update #8 – 7/17/2026

What has happened during the past week?

- Storm sewer improvements from the intersection of Pleasant Drive and 4th Street to Westview Drive were completed.
- Excavation and preparation of road base was completed along Pleasant Drive
- Boulevard grading along Pleasant Drive began.
- Final testing on water main was completed on Pleasant Drive from the intersection of Pleasant Drive and 4th Street to Westview Drive. All watermain along Pleasant Drive has been switched over to the newly installed watermain and is back to normal operations.

What is scheduled for the week of July 20th?

- Street removals will begin on 4th Street.
- Concrete curb and driveway construction will begin on Pleasant Drive from HWY 55 to 4th Street.
Residents that will have access restrictions will receive a separate notice via door hanger
- The temporary watermain system will be installed along 4th Street. Once installed, the temporary watermain will be tested for cleanliness and prepared for connections to impacted houses during construction. **Residents who will be connected to temporary water will receive a separate notice via door hanger with more instructions.**
- Boulevard grading along Pleasant Drive will continue in preparation for Sidewalk replacement and trail construction.

Important Notes

- **The intersection of Pleasant Drive and 4th Street will remain closed. See detour update on page 2** (reverse side) of this update.
- Please do not touch the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM
