

## 2025 Mill & Overlay Program Update #4 – 5/30/25

### What has happened this past week?

- Milled top 2" of pavement (16<sup>th</sup> St through 23<sup>rd</sup> St, Northridge Ct, High Point Ct, River Shore Ct, River Heights Ct, and Brooke Pl)
- Paved 2" of pavement (16<sup>th</sup> St through 23<sup>rd</sup> St)

Top Left: Milling

Middle: Typical Milled Surface

Top Right: Paving

### What is scheduled for next week?

- Pave 2" of pavement (Northridge Ct, High Point Ct, River Shore Ct, River Heights Ct, and Brooke Pl)
- Apply top soil to damaged turf located behind curb and pedestrian ramps (compost seed possible)

### Notes

- 1) Our apologies if any irrigation lines or underground fences were hit during the curb repair process. Infrastructure such as these are considered "guests" within the right of way and are the responsibility of the homeowner to repair. Please reference the first project notification letter mailed to your residence alerting you of this policy.**
- 2) 4<sup>th</sup> St and Featherstone Rd will be milled and paved after the last day of school for Hastings High School. These operations are anticipated to be completed during the second week in June. Please keep an eye out for the "No Parking" signs. Also, please do not park on the street from 6am to dusk during the milling and paving phase of the project. Access to your driveway will continue however expect short delays while those operations pass through your street. The newly paved blacktop can be driven on once it has been rolled (compacted).**

### Questions or Concerns?

- Project management services are being provided by the City's Engineering Department. Please call the Assistant City Engineer at (651) 480-2369 with project related questions and concerns.

### Spread the Word & Encourage Updates!

- Please make sure to share this information with your neighbors and tenants. Feel free to encourage them to obtain a copy of the Construction Update if they have not already done so! Typically, new updates are posted on Friday.
