

Central Water Treatment Plant Raw Watermain Project Construction Update #11 - 04/03/2026

What has happened during the past week?

- Crews completed the drilling and pipe installation of the first section of watermain on the north side of North Frontage Road, stretching from Westview Drive to Lions Park.

What is scheduled for the week of April 6th?

- The drill rig will be relocated to the intersection of State Street and 7th Street to begin drilling for the final segment of the watermain, extending from State Street to Lions Park.
- North Frontage Road will be closed to thru traffic west of the intersection of North Frontage Road and Westview Drive to connect the watermain across North Frontage Road. A detour will be established, directing traffic to Pleasant Drive to ensure access for residents and businesses throughout the closure. North Frontage Road is anticipated to be reopened to thru traffic on Wednesday, April 8th, once construction activities are complete.

Important Notes

- Please refrain from parking on streets under construction from 7 AM to 7 PM.
- During construction hours (7 AM to 7 PM), access will be maintained but may be delayed.

Tips of the Week

- Please follow posted detour and warning signs.
- Reduce your speed and be cautious of uneven ground.
- Remain attentive—look out for signs, construction equipment, and workers.
- When near construction areas, establish eye contact with machine operators before moving forward.
- Remind children to avoid the construction site, machinery, and piles of materials.
- Access may vary throughout the day as work continues, so thank you for being patient.
