TOP 10 THINGS TO SEE ON THE HASTINGS BIKE TRAILS

1 - HISTORIC DOWNTOWN HASTINGS (2ND STREET)

Hastings historic downtown area is located next to the Mississippi riverfront and right off the 10 mile loop. Explore local shops, restaurants, a brewery and a variety of entertainment including public art. It is a unique main street known for its fine Victorian architecture and old city charm.

2 - HASTINGS RIVERWALK - TRAILHEAD

The Hastings Riverwalk connects two city parks located right on the Mississippi River. Levee Park is a perfect spot for summer entertainment with a concert venue unlike any other. From May through September the pavilion, donated by the Hastings Rotary Club, fills up with live music, classes and outdoor movies!

3 - LOCK & DAM #2 - TRAILHEAD

Located on Mississippi River mile 815.2, upstream of Hastings, this lock and dam was constructed in 1930. It consists of a concrete structure 722 feet long with 19 tainter gates, 30 feet long. At the overlook, visitors can enjoy beautiful views of the river bluffs, soaring eagles and gigantic barges.

4 - LAKE REBECCA DIKE

This dike separates Lake Rebecca and Spring Lake providing stunning views that give cyclists the feeling of riding on water. Every year, American White Pelicans can be seen in this area along with Sand Hill Cranes.
