

2026 Neighborhood Infrastructure Improvements Construction Update #5 – 6/26/2026

What has happened during the past week?

- Watermain and sanitary sewer improvements continued along Pleasant Drive, and were completed from Highway 55 to Westview Drive.
- Began the necessary testing of the newly installed watermain along Pleasant Drive.
- Storm sewer improvements along Pleasant Drive have started.

What is scheduled for the week of June 29th?

- Storm sewer improvements will continue along Pleasant Drive, from Highway 55 to Westview Dr, and will be completed by the end of the week.
- Once all the required testing on the newly installed watermain is completed, we will begin switching residents from the temporary water system to the newly installed watermain.

Road Closure Update: The intersection of 4th Street and Pleasant Drive is scheduled to be closed the week of July 6th to complete the utility improvements in that area. We will give an update on this closure next week, signs will be posted in advance of the closure, and a detour route will be put in place.

Important Notes

- PLEASE DO NOT TOUCH the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM
