#### TENNESSEN WARNING

When the City of Hastings ("City") collects private/confidential data from an individual about that individual, the City is required under Minn. Statute § 13.04, subd. 2, to provide a Tennessen warning Notice. The purpose of this Notice is to enable individuals to make an informed decision about whether to give data about themselves to the City.

#### **Classification of Data Provided**

Under Minnesota Statute § 13.41, subd. 2, regulating licensing data obtained by a public entity, names and the designated contact address and telephone number are public data and available upon request. All other information provided on your application prior to licensure approval is classified by law as private data and is accessible to you, but not to the public. Upon license approval, all information provided on your application is public data, EXCEPT for: date of birth, social security, non-designated or secondary contact address and telephone number, financial data, state and federal tax ID's, or data classified under Minnesota Statute § 13.02, subd. 12, as private or subd. 13 as protected nonpublic. Public data is available to any person upon written request to the City.

#### **Purpose and Intended Use**

The data requested on each application will be used in determining whether you meet the City's qualifications and requirements for the license you are applying for. If a background check is required, the data from your application will also be used by the City and the Hastings Police Department as required by Hastings City Code § 33.01.

Failure to provide any of the requested information could result in the delay or possible denial of your initial or renewal application. All data collected and stored may be shared upon court order or with other government entities as authorized by law.

I certify that I have read the above questions and that the answers are true and correct to the best of my knowledge.
