

April 23, 2026

Dear Property Owner/Resident:

This second notification letter serves as a courtesy to inform you the mill and overlay project will begin the **week of May 4th**. In preparation, you will likely begin to see:

- Installation of "Road Work Ahead" signs
- White paint delineating curb and sidewalk replacement
- Paint and flags identifying utility locates

During the first week of the project, crews may:

- Remove and replace selected manholes, catch basins and gate valves
- Remove dilapidated concrete curb and gutter, and re-pour
- Remove the concrete pedestrian ramps on the sidewalks, and re-pour

Please be mindful of the construction workers and exercise caution by driving slow! The City acknowledges the inconvenience and thanks you in advance for your cooperation during this project! If they are not working directly in front of your home then please know they are diligently working somewhere else on the fifteen streets that are on this year's project.

As mentioned in the first letter:

- Please have garbage and recycling carts curbside by 6am as Tennis Sanitation has agreed to pick up trash by 7am during the duration of the project in efforts to minimize conflicts. The project will be substantially complete by the end of June.
- Landscaping, including irrigation, is considered "guests" within the Right of Way. It is the responsibility of the homeowner to remove it from the right of way should it be apparent that construction activity will endanger it.

For more project information, including the first informational letter (dated March 20th), please visit our website:

- Google "City of Hastings MN", search "Construction Projects", or
- <https://www.hastingsmn.gov/home-living/streets-parking-and-transportation/construction-projects/mill-and-overlay-program/>

If you have any questions feel free to call me at 651.480.2369.

Sincerely,

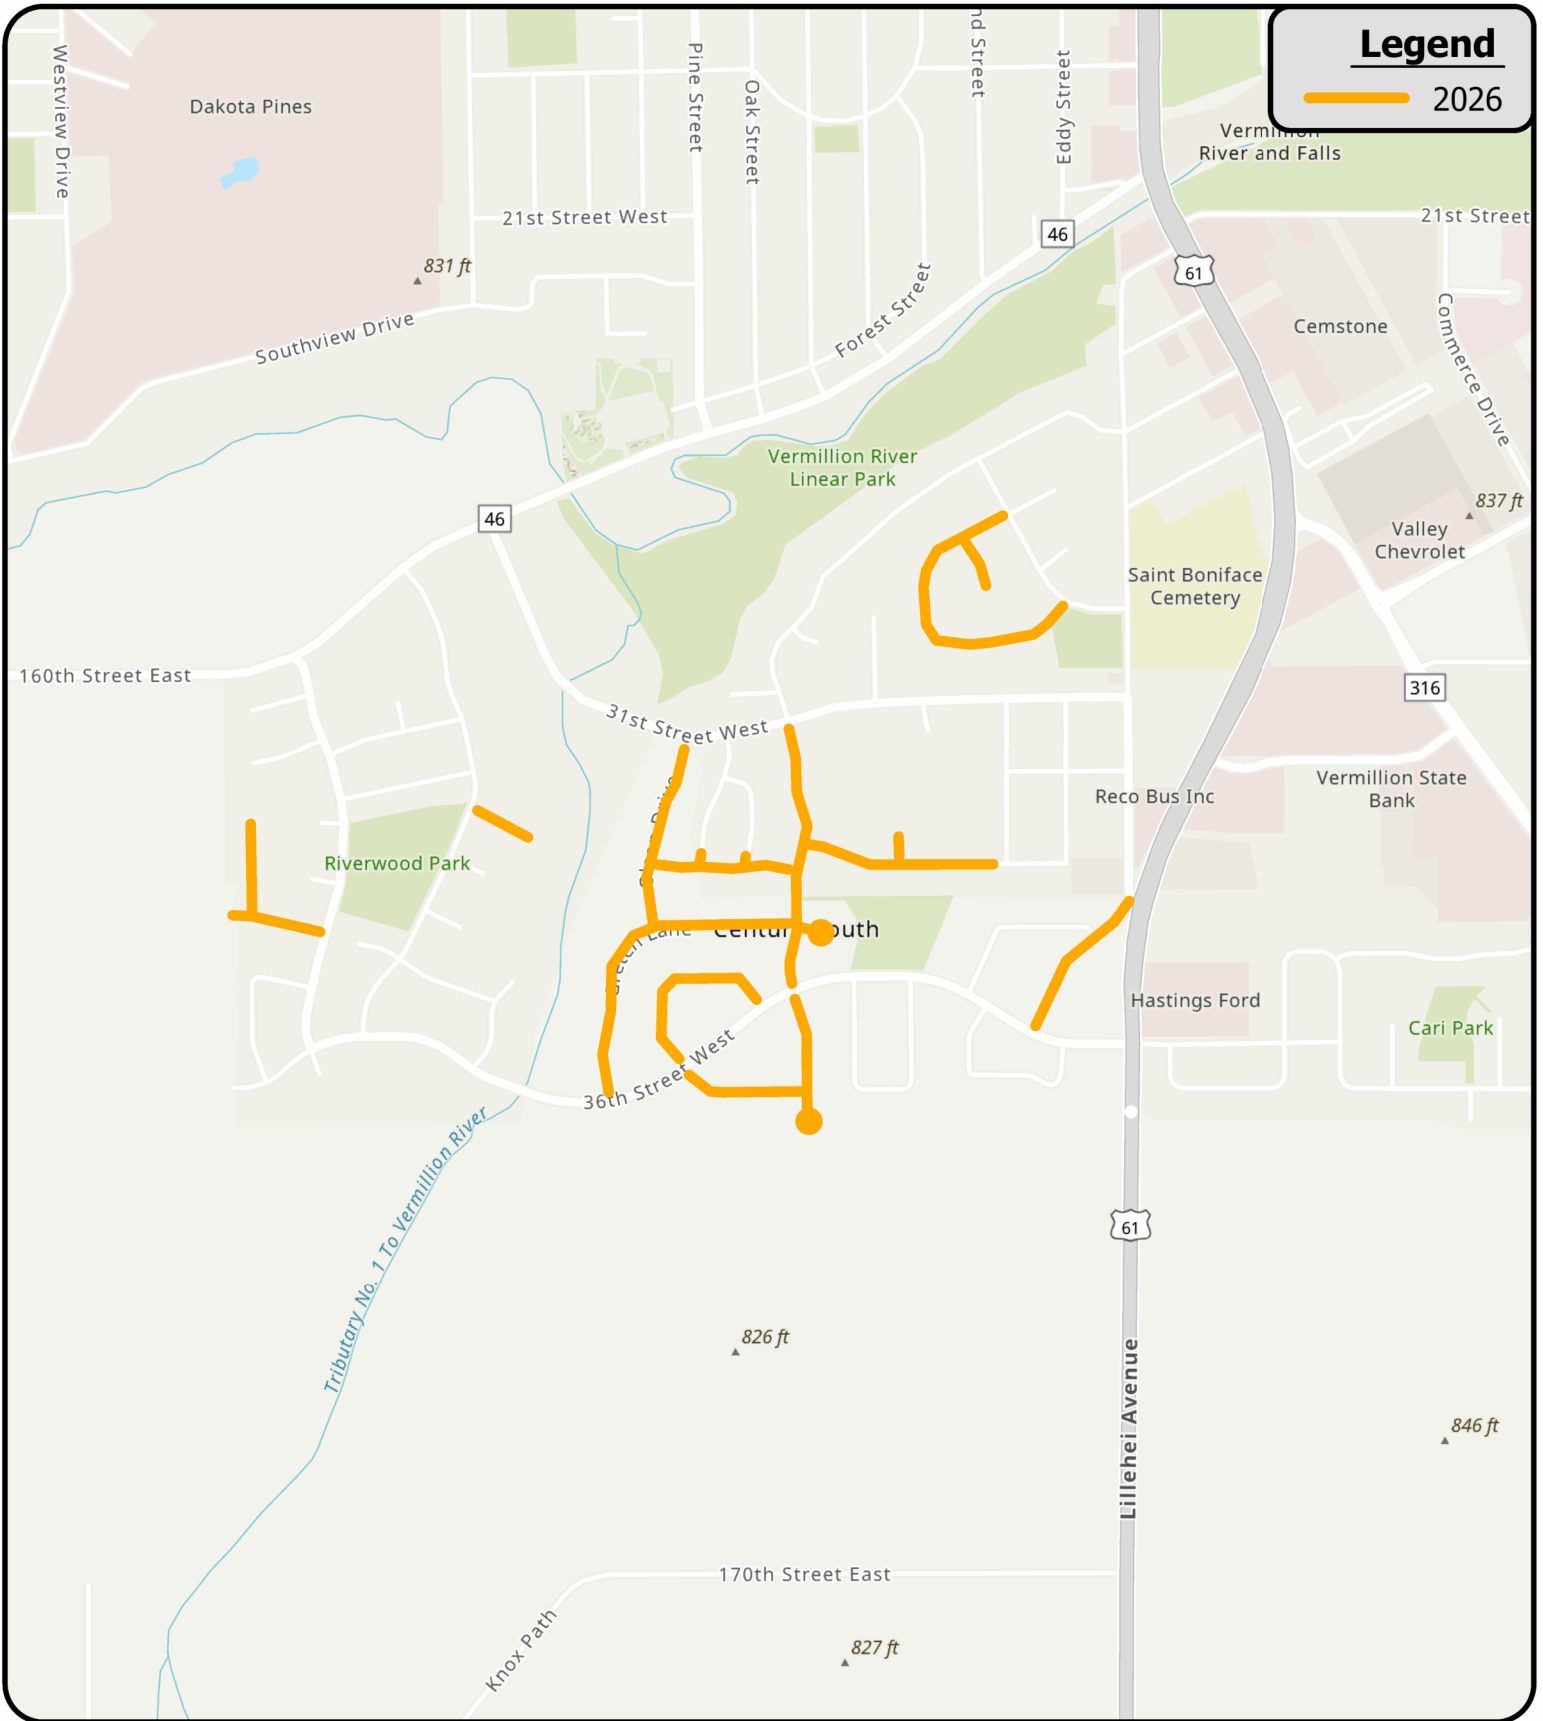

A handwritten signature in black ink that reads 'John Caven'.

John Caven, P.E.
Assistant City Engineer
