**Re: 2026 Neighborhood Infrastructure Improvements**  
**Public Outreach – January 12<sup>th</sup> to January 27<sup>th</sup>**  
**Project Information: [www.hastingsmn.gov/2026Streets](http://www.hastingsmn.gov/2026Streets)**

Dear Property Owner/Resident:

The City of Hastings is planning infrastructure improvements on your street this year (see map on the back of this letter). **Please visit the project webpage, [www.hastingsmn.gov/2026Streets](http://www.hastingsmn.gov/2026Streets), at your earliest convenience** to watch a short overview video, complete a brief survey, and review project details. These materials explain the proposed 2026 project and outline the estimated assessments (the portion of costs paid by property owners).

#### **How to Provide Feedback**

A Project Feedback and Communication Preferences Survey is available online. We encourage you to complete it on the website. A paper copy is also enclosed if you prefer to respond by hand.

If you use the paper survey, please return it by mail to:      Engineering Department  
1225 Progress Drive  
Hastings, MN 55033

**Please submit your feedback online or via mail by no later than January 27<sup>th</sup>, 2026.**

#### **Open House**

If you would like to discuss the project in person after reviewing the online materials, please attend our open house where City staff will be available with draft plans and can answer your questions:

Hastings YMCA – Community Room  
Thursday, January 22<sup>nd</sup>  
5:00–7:30 PM (Brief presentation will be given at 5:30 PM)

#### **Contact Us**

Engineering Department  
Phone: 651-480-2334  
Meetings available by phone, video conference, or in person.

Your input is important and will help us finalize project plans. All comments received will be shared with the City Council as they make final project decisions in March 2026. We look forward to hearing from you!

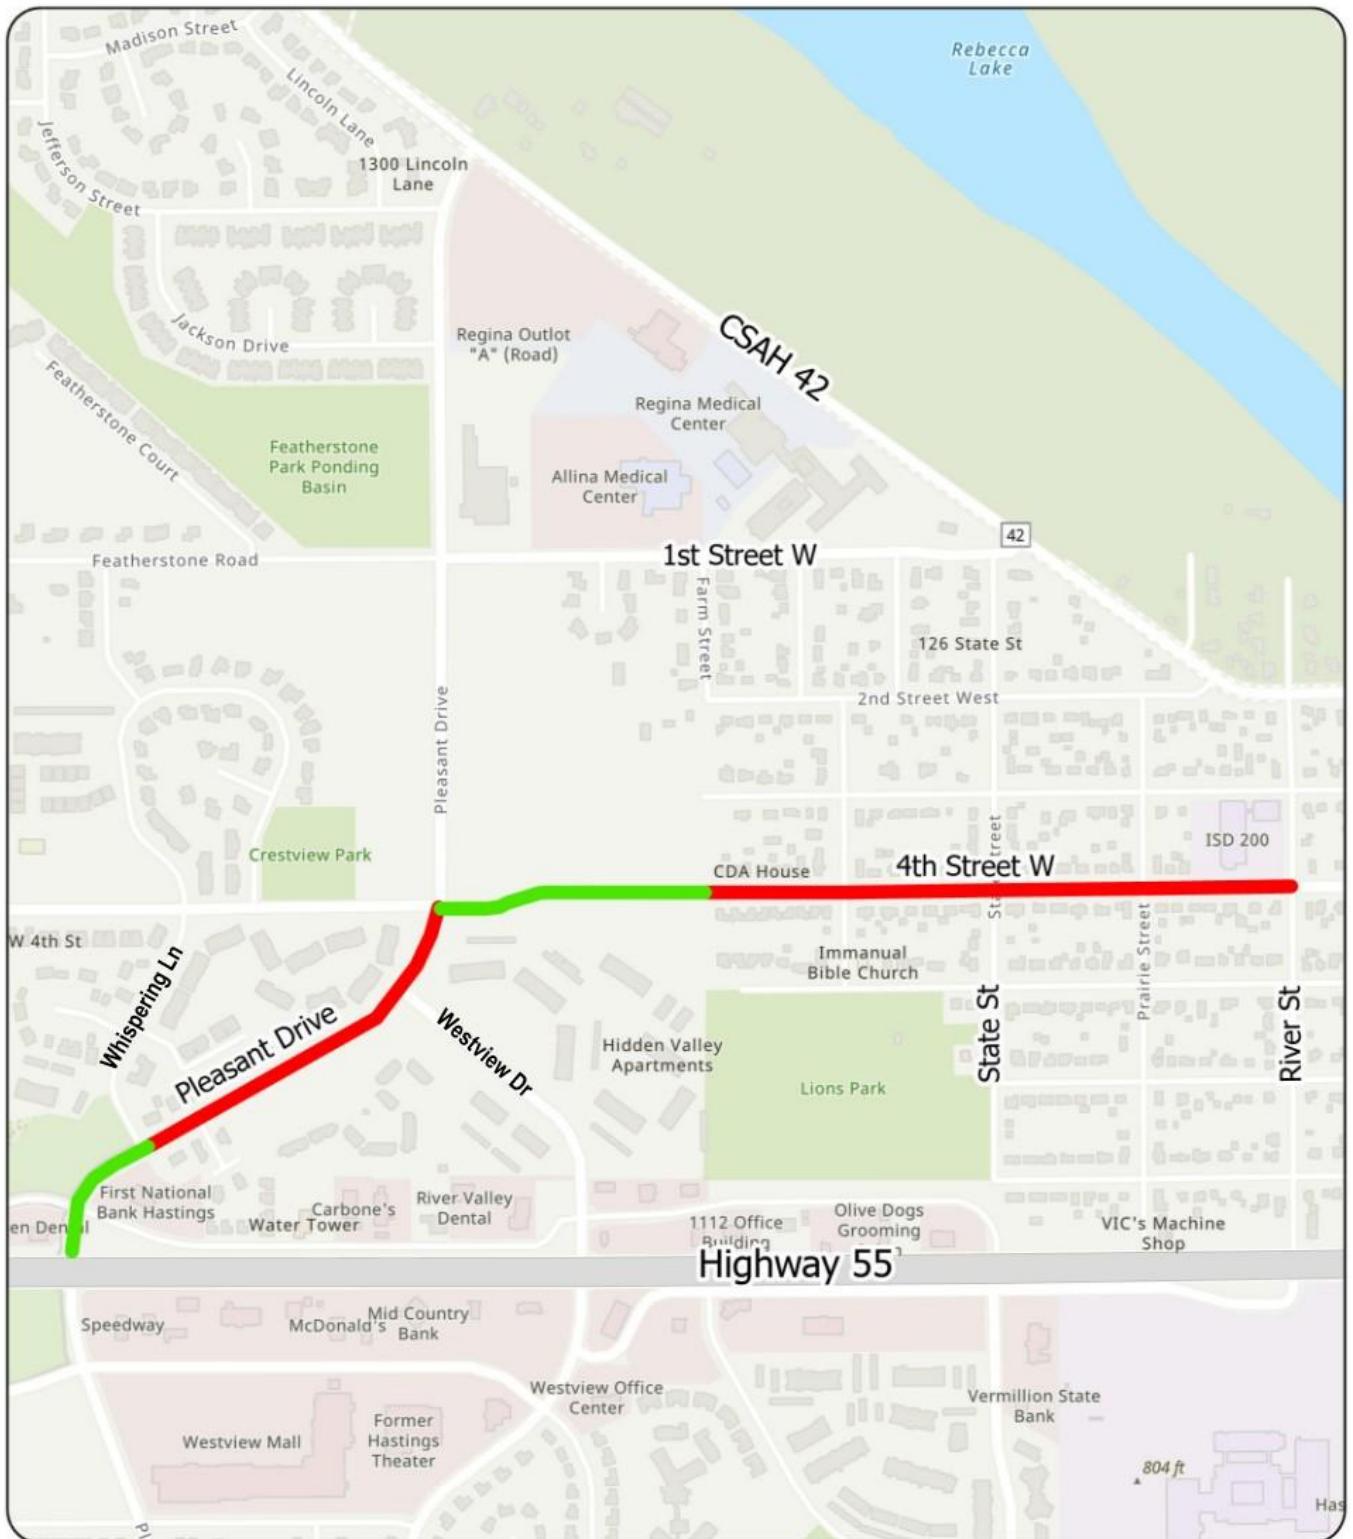

Sincerely,

Cody Mathisen, P.E.  
Project Manager
