

## Central Water Treatment Plant Raw Watermain Project Construction Update #4 – 10/17/2025

### What has happened during the past week?

- Open-cut watermain installation has been completed along 7<sup>th</sup> Street.
- The segment of drilled watermain between Maple Street to Pine Street is anticipated to be completed by the end of the week.

### What is scheduled for the week of October 20<sup>th</sup>?

- Crews will begin rebuilding the roadway by installing aggregate surfacing and replacing the concrete curb and gutter. ***Driveway access may be restricted while the new concrete curb cures.***

### Important Notes

- PLEASE DO NOT TOUCH the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM.
- During construction hours (7 AM to 7 PM), access will be maintained but may be delayed.

*Horizontal Direction Drill Rig*

*Fusing Watermain Pipe*

### **Tips of the Week**

- Please observe posted detour and warning signs.
- Slow down and watch for uneven surfaces.
- Stay alert! Watch for signs, equipment, and workers.
- When near construction, make eye contact with operators before proceeding.
- Please remind children to stay away from the construction site, equipment, and stockpiles of materials.
- Access through the site may change throughout the day as construction progresses; your patience is appreciated.
