

## 2025 Neighborhood Infrastructure Improvements Construction Update #1 – 5/30/2025

### What has happened during the past week?

- Reliable Tree Service removed trees that were in conflict with the proposed improvements throughout the project.

### What is scheduled for the week of June 2<sup>nd</sup>?

- The prime contractor, Northwest Asphalt, will be mobilizing to 1<sup>st</sup> Street, 1<sup>st</sup> Place, Olive Street, and Fraiser Street to begin reclaiming (grinding up) existing bituminous pavement as well as removals of curb and gutter.
- The temporary watermain system will be installed. Once installed, the temporary watermain will be tested for cleanliness and prepared for connections to impacted houses during construction.

### Important Notes

- PLEASE DO NOT TOUCH the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM
